We encourage parents to look at our delicious food menu.

Our meals are freshly prepared on site by our nursery chef using a carefully planned three-week rolling menu, providing children with a variety of nutritious and balanced meals that support healthy growth and encourage them to try new foods.

We cater for all dietary requirements, allergies, and cultural or medical needs, working closely with parents and carers to ensure every child's needs are met safely.

While we encourage families to use our freshly prepared meals, this service is optional. Guidance will be provided for families who choose to supply a packed lunch.
